## Council Highlights – November 8, 2013

Below is a summary of key decisions taken by Council at a special meeting held on November 8, 2013.

(Note...by-laws which have not been approved are not summarized in these highlights until they have been approved by Council.)

### **Health Professions Regulatory Advisory Council (HPRAC) Consultation – Regulation of Diagnostic Sonography**

Council reviewed the referral by the Minister of Health and Long-Term Care regarding the regulation of diagnostic sonographers, HPRAC's literature review, jurisdictional review and jurisprudence review and the Ontario Association of Medical Radiation Sciences' (OAMRS) 'Submission To The Health Professions Regulatory Advisory Council in Application for Regulation of Diagnostic Medical Sonographers Under the *Regulated Health Professions Act* (RHPA), 1991' dated September 2013. Council gave direction to Registrar, L. Gough, to prepare the CMRTO's comments on the proposal submitted by the OAMRS to regulate diagnostic sonographers.
