

CMRITO

Regulator of medical radiation and
imaging technologists in Ontario

Council Highlights – October 9, 2024

Below is a summary of key decisions taken by Council at its special meeting to discuss the consultation on proposed changes to By-law No. 60 regarding the annual registration fee held on October 9, 2024.

Consultation on proposed changes to By-law No. 60 regarding the annual registration fee

Council reviewed the Executive Committee's recommendation regarding the proposed by-law amendment with the support of Independent Legal Counsel.

After considering the feedback received through the consultation, the materials provided, and the presentation from Independent Legal Counsel, Council voted to pause the consultation, rescind the proposed by-law amendments, consider the input provided to date, and reevaluate the approach to the fee increase in light of the information received through the consultation process.

Next Council meeting

The next Council meeting is scheduled for Friday, December 6, 2024 by webinar.
